Hello Everyone,

First of all I have a most important prayer request. We are having a real hard time getting braille paper. We have two resources for paper; one in northern Indiana which takes more than three weeks when it used to take only about 48 hours for it to be shipped and one in California which takes much longer.

Paper is a big deal here, so please pray. God can control even the post office and your prayers can and will free us from this issue.

And while we are on prayer requests; please pray for our equipment, e-mail and internet issues.

But, in spite of it all the Bible in braille keeps rolling out the door to many countries and many hungry hands. And just to show that this is true we have a thank you note or two which I think will make you smile.

From our Mail

from Texas:

Thank you and praise God! I received my volumes in the mail yesterday and it was so exciting. I haven't been able to read the Bible in print for two years now. Now I can use my new superpower, which is braille of course to even read the Bible in the dark. God bless you and thank you so much.

Celia

from a correctional institution in Wisconsin:

Dear Suzie

During this Holy Season I want to thank you for the braille bible. Our blind inmates now have the Word of God at their finger tips.

Blessings & Peace Always,
Paul—Chaplain
